High bay lights Aludra, 160 W, 5000 K, black

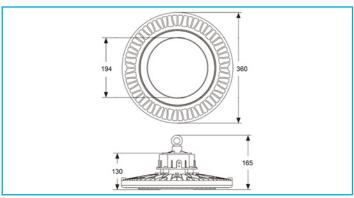

Whether in high-bay warehouses, in large sales areas or in extensive presentation spaces - ALUDRA series pendant lamps prove highly capable as universal high-bay downlighters for use at height. Thanks to their high luminous flux, wide light emission angle and IK10 impact strength class, ALUDRA lights bring functional light to large areas safely and reliably.

Special features

- Including 3 m connecting cable
- High impact resistance
- High luminous intensity

Housing Material Aluminium
Housing Color Black

Protection Class Protection class I/protective

grounding

Rated Input 160 W

Rated Input Voltage Frequency 220-240 V/AC 50 / 60 Hz

Power Supply Unit incl. Yes
Connection Cable Primary Yes

Primary Connection With free strand / conductor ends

Primary Cable Length3 mDimmableNoMotion DetectorNo

Light Source LED, Light source not changeable
