

# Eiffel

## Pedestal for the Pulsar Charger Family

The Eiffel Pedestal offers an elegant solution for installing your EV charger in locations without wall access.

### ROBUST & DURABLE

Crafted from sturdy galvanized steel, the Eiffel Pedestal is built for exceptional resilience. With IK10 impact protection, it's engineered to withstand even the harshest environmental and weather conditions, making it perfect for outdoor installations.

### DUAL-CHARGER VERSATILITY

The pedestal's design supports the installation of up to two chargers – either immediately or at a later date – helping to save space and reduce installation costs. The additional charger plate is sold as a separate accessory.

### INTEGRATED SPACE FOR PROTECTIONS & EASY MAINTENANCE

The Eiffel Pedestal offers internal space for the connection terminals and protections, with easy access for maintenance.

### ACCESSORY OPTIONS FOR ENHANCED FUNCTIONALITY

Our Rain Cover, Cable Dock, Cable Holder and Electric Box enhance your installation with added weather protection, organized cable management, and secure housing for electrical components and protections.

### BROAD COMPATIBILITY

The Eiffel Pedestal offers compatibility with a range of Wallbox chargers.

- Pulsar family (tethered versions): Direct mounting is possible via the supplied adapter plate
- Pulsar family (socket versions): Optional adapter plate is needed.

### PRODUCT HIGHLIGHTS

-  Free-standing solution for single or dual charger installations
-  Constructed from high-quality, weather-resistant materials
-  Integrated space for protections, easy maintenance

**PHYSICAL / MECHANICAL**

Type	Mounting pole for one or two chargers from the Pulsar family
Fixing type	Screw connection on self-made concrete foundation
Material	Galvanized steel
Finish	Powder-coated
Colour	RAL 7043 matt
Product dimensions (H×W×D)	1,705.5 × 350 × 135 mm
Weight (net)	Approx. 25.5 kg
Storage temperature	-40 to 70°C
Protection class / IK code	IK10

**STANDARDS / DIRECTIVES**

Low Voltage Directive 2014/35/EU (EN IEC 61851-1:2019)

RoHS Directive 2011/65/EU (EN IEC 63000:2018)

**ORDER INFORMATION**

Model	Eiffel
Customer code	100000776
EAN number	8436575278063
Commodity code	85381000
Packaging unit (PU)	1
Packaging dimensions (H×W×L)	Approx. 1,740 × 370 × 160 mm
Weight	Approx. 30 kg
Items supplied	Pedestal, installation instructions, installation kit
