

Due to their flexible control options, you can use the D PROFESSION pendant lamps both in private and in commercial applications. The Up and Down version emits its light in two directions. Whilst the LEDs directed upwards generate pleasant, indirect room lighting, the LEDs directed downwards ensure defined, powerful and UGR-compliant office and work lighting for desks and more.

**Special features**

- High light output
- Low glare value
- Max. suspended mounting 3,000 mm
- Dimmable
